Who we are

Who is providing this notice?

Global Innovations Bank

What we do

How does Global Innovations Bank protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Global Innovations Bank collect my personal information?

We collect your personal information, for example, when you

- Open an account or pay your bills
- Use your credit or debit card or make deposits or withdrawals from your account
- Apply for financing

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes - information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
